Editorial

Merry Christmas and Happy New Year to all the readers and subscribers of the winter issue of “Kanpur Historiographers” an International Journal of Historical Studies and Research; published biannually by “New Archaeological and Genological Society” Kanpur, India.

Indeed there are reasons to enjoy reading and shearing ideas of this issue during Christmas holidays as there are at least three full papers by well known and able writers from their respective fields throwing light on the role and varied contribution of Christianity and Missionary Activities in different region ranging from Sikkim and Bihar to the Tamil Nadu. Such micro studies are of immense help to develop an insight to understand the transformative forces and their contributory role in the socio-cultural processes. To continue this trend, few more micro studies focusing on local architectural style, fortification and resistance, ethnic groups and laborers movement added to the present volume creating a space for low decibel voices from the history to be audible to the community at large. Report of an event came from Multan (Pakistan) where First National Conference on Emerging Trends and Challenges in Social Sciences, organized by Department of Sociology, Bahauddeen Zakaria University Multan, Pakistan, was concluded successfully.

Two editors are added to this serial with consent of Board of Directors, N.A.A.G.S. Kanpur Chapter. I would like to welcome Dr. Fatima T. Rahman from Asian University of Bangladesh and Dr. Enayatullah Khan from Aligarh Muslim University Aligarh as well.

Last but but not the least, I would like to thank Dr. Akhtar Hussain Sandhu and Dr. Farzand Masih, from Pakistan, Dr. Umakanta Mishra from Cuttack and Dr. Ajmal Mueen from Calicut for their valuable suggestion. I am thankful to my friends Dr. Atul Kumar Shukla, Dr. Balaji Chirde, Dr. Rafida Nawaz and Dr. Adesh Gupta for their keen interest and academic contribution to the journal. I am also thankful to Prof. Rajendra Singh and Prof. R.K. Bhatiya, from Bundelkhand University, Jhansi, for their continuous guidance.

Your valuable observations and suggestions are most welcome.
