Editorial

Wishes to all the friends, readers and subscribers of the summer issue of “Kanpur Historiographers” an International Journal of Historical Studies and Research; published biannually by “New Archaeological and Genological Society” Kanpur, India.

The present issue of “Kanpur Historiographers” is mostly focused on history of modern India. Most of the papers included in this issue are historical by nature, although they are originated from various faculties of Law, Political Science, Economics and Teacher Education besides history. An interesting paper is focused on economics of colonial education in its historical settings. Another paper focuses on the role of religion in spreading of nationalism. There are few more papers exploring the different aspects of freedom movement. Among them is a paper on Proletarian internationalism and communists in India. Two papers are related to Marine time History.

Only two papers are focusing on the Ancient and medieval history of India. Readers may find an interesting and lesser discussed area of Greco-Arabian Medicinal system during Mughal period. There are two book reviews included in the current issue.

Before concluding, I would like to thank Dr. Akhtar Hussain Sandhu and Dr. Farzand Masih, from Pakistan, Dr. Umakanta Mishra from Cuttack and Dr. Ajmal Mueen from Calicut for their valuable suggestion. I am thankful to my friend Dr. Atul Kumar Shukla and Dr. Adesh Gupta for their keen interest and academic contribution to the journal. I am also thankful to Prof. Rajendra Singh and Dr. R.K. Bhatiya, from Bundelkhand University, Jhansi, for their continuous guidance.
