## Editorial

Summer issue (2016) of “Kanpur Philosophers”, is in your hand, a comparatively large volume this time. Papers appeared in this issue represents variety of disciplines i.e. Philosophy, History, Political Science, Law, Education, Geography and Literature covering the geographical expansion from Multan in Pakistan to Tripura in North East. Though the papers included in this volume are mostly focused on various aspects of Kanpur and Banda district of Uttar Pradesh.

It will be interesting to know how old drainage pattern, which is now eliminated, is playing an important role in Pakistani literature with reference of “Bahaw”. One paper studying the female foeticide in the present Indian context and another paper explore the Gandhian Sarvodaya Philosophy.

Eight papers are specially throwing light on the history of freedom struggle, communalism, missionary activities, industrial development, higher and primary education, and spiritual, social and intellectual renaissance in Kanpur.

Three papers are covering the various aspects of the history of Bundelkhand. One paper each on women saint tradition of Gujrat. A sole paper of geography focused on town planning with reference to Bundelkhand.

I would like to thanks all the researchers and contributors of the current issue of Kanpur Philosophers for their timely submission of papers and their continuous support, without which such endeavour cannot take shape.

I am indebted especially from Dr. Akhtar Hussain Sandhu from Lahore, Pakistan and Dr. Purushottam Singh and Mrs. Neha Singh both from Kanpur, for their continuous help during the course of editing. I am thankful to the valuable contribution made by my friends and colleague Dr. Adesh Gupta from Banda, Dr. Balaji Chirade from Nanded as well as Dr. Kuljit Singh from Bhaerwah.

Your valuable observations are suggestions are most welcome.
