Editorial

I am happy to present the summer issue (2018) of “Kanpur Philosophers”, to the researchers, subscribers and scholars, mainly focused on various aspects of colonial and pre-independence history of India. Although papers appearing in this issue represents variety of disciplines and subject area i.e. Geography, History, Political Science, Sociology, Education, and Literature. Most of the papers included in this volume are from UP and exploring different areas and districts of UP.

An interesting paper explores the regional history of Braj Mandal the prominent pilgrimage center for Hindus, during Mughal rule. Obviously the proximity of Braj Mandal with Agra and Delhi brought this region into cultural as well as military activities. On the other hand Bundelkhand is the main focus of four papers. A paper on water crises and its management is especially relevant due to the famous river linking project to solve the long lasted crises of water in the region. Other papers explore the social scenario, nationalist movement and historicity of pilgrimage center.

Two papers are specially focused on Kanpur throwing light on the role of Nana sahib in the revolt of 1857 and communal riots under congress ministries in Kanpur before independence. Two papers are of philosophical by nature. A paper on philosophy of Sanskrit grammar will be interesting to many and other deals with the fundamentals of Buddhist philosophy.

I hope the readers may find this issue of it's worth. Now I would like to thank all the researchers and contributors of the current issue of Kanpur Philosophers for their timely submission of papers and their continuous support, without which such endeavor could not take shape.

I am indebted especially from Dr. Akhtar Hussain Sandhu from Lahore, Pakistan and Dr. Purushottam Singh ji from Kanpur, for their constant help in editing. I am thankful to the valuable contribution made by my friends and colleague Dr. Adesh Gupta from Banda, Dr. Balaji Chirade from Nanded as well as Dr. Kuljit Singh from Bhaerwah. I would like to express my sincere thanks to Dr. Umakanta Mishra from Cuttack (Odisha), Dr. Ajmal Mueen MA from Mukkam (Kerala), Dr. Enayatullah Khan from Aligarh and Dr. Anil Kumar Misra from Kanpur.

I cannot forget to mention the problem solving role of Vasudev Singh from Houston (U.S.A.) for the journal.

Your valuable observations and suggestions are most welcome.
