## **Editorial**

I am happy to present the summer issue (2019) of “Kanpur Philosophers”, to the researchers, subscribers and scholars, mainly focused on various aspects of colonial and pre-independence history of India. Although papers appearing in this issue represents variety of disciplines and subject area i.e. Geography, History, Political Science, Sociology, Education, and Literature. Most of the papers included in this volume are from UP and exploring different areas and districts of UP.

An interesting paper explores the regional history of Banda, the prominent district in central India. A paper on Ayurveda is especially relevant due to the famous health figure in the Indian sub continent. Other papers explore the social scenario, nationalist movement and historicity of pilgrimage center.

Two papers are specially focused on female infanticide throwing light on the legal aspects in modern India and another is focused on spread of Islam in India. Two papers are of philosophical by nature. A paper on philosophy of Hegel will be interesting to many and other deals with the fundamentals of Buddhist philosophy.

I hope the readers may find this issue of it's worth. Now I would like to thank all the researchers and contributors of the current issue of Kanpur Philosophers for their timely submission of papers and their continuous support, without which such endeavor could not take shape.

I am indebted especially from Dr. Akhtar Hussain Sandhu from Lahore, Pakistan and Dr. Purushottam Singh from Kanpur, for their constant help in editing. I am thankful to the valuable contribution made by my friends and colleague Dr. Adesh Gupta from Banda, Dr. Balaji Chirade from Nanded as well as Dr. Kuljit Singh from Bhaerwah. I would like to express my sincere thanks to Dr. Umakanta Mishra from Cuttack (Odisha), Dr. Ajmal Mueen MA from Makkam (Kerala), Dr. Enayatullah Khan from Aligarh and Dr. Anil Kumar Misra from Kanpur.
