### **Editorial**

I express my heartfelt gratitude to Dr. Purushottam Singh for the special issue of Kanpur Philosophers for year 2020 being published in memory of Professor Kali Shankar Bhatnagar. In 1954, I had the opportunity to meet him as a research student and I am very fortunate in this regard because I never seen learned in my life like him. He had proficiency in teaching in many disciplines. He was the founder head of the Departments of History and Political Science, since both these departments were started in VSSD College Kanpur in the year 1923. Although Professor Bhatnagar, resident of Agra was first appointed in DAV College Kanpur from the year 1921 to 1923 but on the request of Rai Bahadur Vikramajit Singh, he accepted to work in VSSD College, Kanpur and in this sequence he became the Head of Department of two departments. Started in the year 1923 when VSSD College was affiliated to Allahabad University. In the year 1928, the college was affiliated with Agra University and after that VSSD College was now affiliated to Kanpur University after 1965. Professor Bhatnagar did teaching work in VSSD College, Kanpur, in which he taught History, Political Science, Law, Commerce and Economics. In today's context, it seems an exaggeration to say this, but it is absolutely true that he was fully proficient in these five subjects and with authority. This issue of the journal is full of diversity, in which a compilation of 26 research papers on history, political science, management, law and other subjects has been included, I must give an account of one incident. Syed Akhtar Abbas Rizvi was a research scholar who was working his respective research work on Ain i Akbari under the supervision of Professor Mohammad Habib in Aligarh Muslim University, but when he came to know about Professor Kali Shankar Bhatnagar, After meeting Sir Bhatnagar, S.A.A. Rizvi decided that he would now do research work under the supervision of Professor Bhatnagar, he changed his supervisor and university and did

his research work under the direction of Professor Bhatnagar and he completed his thesis in the year 1948. Syed Akhtar Abbas Rizvi became the first student to obtain Ph.D. degree under the supervision of Prof. Bhatnagar I also completed my thesis under the supervision of Professor Bhatnagar entitled 'Agrarian History of Kanpur' and which was evaluated by Professor Eric Stokes of London. Professor Bhatnagar was also the Principal of VSSD College Kanpur from 1954 to 1956 and a grand ceremony was organized on the occasion of his retirement in which Professor Ishwari Prasad of Allahabad University and Professor Banarasi Prasad Saxena of Delhi University joined, I got retired from my services in this college in the year 1992 but even today memory of Professor Bhatnagar is a wonderful experience. The History Department of VSSD College, Kanpur has a long tradition of research work in which 94 theses have been completed so far and many teachers in the department have carried forward this tradition during their tenure. I would like to thank Purushottam Singh, who managed publication of this special issue with variety in the memory of Professor Bhatnagar, while this year the college has completed its 100 years and therefore this special issue is relevant. In addition to Dr. Singh, the editor-in-chief of the journal Dr. Atul Kumar Shukla and I congratulate the other members of the editorial board, especially Professor Akhtar Hussain Sandhu, Professor Farzand Masih, Professor J Shanmugaraja and other experts.

Professor Ramakrishna Gupta
