Editorial

I am happy to present the summer issue (2020) of “Kanpur Philosophers”, an International Journal of Historical and cultural Studies and Research; published biannually by “New Archaeological and Genological Society” Kanpur, India, to all the scholars, researchers, subscribers, friends and well-wishers.

The humanity is already going through a tough and testing period of CORONA-19, perhaps the most impactful disaster of our time shaken the world deeply. I hope all of you are tacking all the necessary precautions and trying maintaining good physical and emotional health. I am overwhelmed by the enthusiasm and support showed by our respected contributors for the publication of current issue of “Kanpur Philosophers”. The current issue of “Kanpur Philosophers” contains research papers mainly on Modern Indian History and History of Independence Movement in India. Papers contributed by historians of our time and an authority on Indian History is a must to read for researchers specially who are interested for undertaking new research projects in near future. Readers may find an interesting paper on Bharhut Architecture in its historical setting. Two papers focused on the different sheds of awakening among Hindus. Two other papers portray the role of party politics and nationalistic movement. A paper on spiritual study of /Muslim League may interest many. With these academic inputs, I hope the issue will be useful to all of you for further research and development of the historical researches. Your valuable suggestions, observations, assessments are welcome. Once again, I would like to thank all the researchers and contributors of this issue of “Kanpur Philosophers”, for the timely submission of papers and their continuous support, without which such endeavor could not take shape. Last but not least, I am indebted especially from Dr. Akhtar Hussain Sandhu from Lahore, Pakistan and Dr. Purushottam Singh ji from Kanpur, for their constant help in editing. I am thankful to the valuable contribution made by my friends and colleague Dr. Adesh Gupta from Banda, Dr. Balaji Chirade from Nanded as well as Dr. Kuljit Singh from Bhaerwah. I would like to express my sincere thanks to Dr. Umakanta Mishra from Cuttack (Odisha).
