Editorial

I am happy to present the special september issue (2021) of “Kanpur Philosophers”, an International Journal of Historical and cultural Studies and Research; published biannually by “New Archaeological and Genological Society” Kanpur, India, to all the scholars, researchers, subscribers, friends and well-wishers.

The humanity is already going through a tough and testing period of pandemic, perhaps the most impactful disaster of our time shaken the world deeply. I hope all of you are tacking all the necessary precautions and trying maintaining good physical and emotional health. I am overwhelmed by the enthusiasm and support showed by our respected contributors for the publication of current issue of “Kanpur Philosophers”. The special issue of “Kanpur Philosophers” contains research papers mainly on Indian History, Law, Management and literature. The Volume is dedicated to living Legend Prof. Ram Krishna Gupta of Kanpur University. His most versatile published work entitled ‘Agrarian History of Kanpur’ was appreciated and forwarded by scholars of Oxford School like Prof. Eric Stocks and Prof. Mackenzie. Therefore it is proper to memorize a volume on Prof. Gupta. Papers contributed by researchers of our time and an authority on Indian History is a must to read for researchers specially who are interested for undertaking new research projects in near future. Readers may find an interesting paper on Relevance of Philosophical Message of Swami Vivekanandain its historical setting. Seven papers focused on the different sheds of philosophy. With these academic inputs, I hope the issue containing 31 articles will be useful to all of you for further research and development of the human researches. Your valuable suggestions, observations, assessments are welcome. Once again, I would like to thank all the researchers and contributors of this issue of “Kanpur Philosophers”, for the timely submission of papers and their continuous support, without which such endeavor could not take shape. Last but not least, I am indebted especially from Prof. Akhtar Hussain Sandhu from Lahore, Pakistan and Prof. Purushottam Singh from Kanpur, India, for their constant help in editing. I am thankful to the valuable contribution made by my friends and colleague Dr. Adesh Gupta from Kanpur, Dr. Balaji Chirade from Nanded as well as Dr. Kuljit Singh from Bhaderwah. I would like to express my sincere thanks to Prof. Umakanta Mishra from Sambalpur (Odisha).
