Editorial

It's my pleasure to present the special issue of "Kanpur Philosophers a peer reviewed International Journal of Multidisciplinary Approach to Research and Studies; biannually published by "New Archaeological and Genological Society" Kanpur, India, to all the academicians, scholars, researchers, students, subscribers, friends and well-wishers. One of the salient feature of the policy is to highlight the importance of Holistic and Multidisciplinary Education and underline the significance of Multidisciplinary Approach to research and education at all levels. I hope "Kanpur Philosophers" will remain proves to be a meeting point for the experts of various disciplines and research areas, to discuss their hypothesis and present their findings to the academia at large. The current volume is a compilation of 34 selected papers and articles representing variety of Legal studies disciplines. this volume is proceedings of two days national seminar on "75 years of Parliamentary democracy in India" organised by faculty of Law, Maharaj Balwant Singh Post Graduate College Gangapur Varanasi. As well as papers came from length and breadth of India. Range of the theme areas is quiet wide and depth of the enquiry is from micro to macro level of research. However, Political science and Law are the two dominating subject areas covering more than 90 percent of the papers contributed in this volume. Few papers on relatively new areas of enquiry may need some mention here i.e. A paper on "A Brief Analysis of the Modern Perspective of Mental Cruelty in Domestic Affairs Against Women in India" researchers an insight to explore new avenues for research areas and material. I believe the spectrum of papers may prove its worth to the readers.

Once again, I would like to thank all the researchers and contributors of this issue of "Kanpur Philosophers", for the timely submission of papers and their continuous support, without which such endeavor could not take shape. Last but not least, I am indebted especially from Prof. Akhtar Hussain Sandhu from Lahore, Pakistan and Prof. Purushottam Singh from Kanpur, India, for their constant help in editing. I am thankful to the valuable contribution made by my friends and colleague Prof. Adesh Gupta from Kanpur, Dr. Balaji Chirade from Nanded as well as Dr. Kuljit Singh from Bhaderwah. I would like to express my sincere thanks to Prof. Umakanta Mishra from Sambalpur (Odisha)

Now, I would like to thanks all the contributors of the current volume of Kanpur Philosophers for their timely submission of papers despite various constraints. I am actually overwhelmed with the support they have shown, without which this volume could not take shape in such a short time. Your valuable observations are suggestions are most welcome.

Atul Kumar Shukla
